Higher Executive Officer salary scale –

68,491 – 70,056 – 71,617 – 73,185 – 74,749 – 75,165 – 76,707 – 78,307 – LSI1 80,913 – LSI2 83,525

The remuneration shall be deemed to accrue from day-to-day and be payable by equal two-weekly instalments on the agreed day of every two weeks in arrears by bank credit transfer.

Important Note:

Candidates should note that entry will be at the minimum of the scale and the rate of remuneration may be adjusted from time to time in line with Government pay policy.

Candidates should note that different pay and conditions may apply if, immediately prior to appointment, the appointee is a serving civil or public servant.

Subject to satisfactory performance, increments may be payable in line with current Government Policy. (See Haddington Road Agreement paragraph 2.19 for recent changes.)

Tenure:

This is a permanent position. The appointee will be required to serve a 12 month probationary period.

Location:

The appointee for this role will be based in the Ombudsman for Children's Office at 52-56 Great Strand Street, Dublin 1.

When absent from home and place of employment on official duty, the appointee will be paid appropriate travelling expenses and subsistence allowances, subject to normal civil service regulations/public sector regulations.

Hours of attendance:

Hours of attendance will amount to not less than 35 hours gross. The appointee will be required to work such additional hours from time to time as may be reasonable and necessary for the proper performance of their duties subject to the limits set down in the working time regulations.

Rest Periods:

The terms of the Organisation of Working Time Act, 1997 will apply to this appointment.

Annual Leave:

In addition to the standard 10 public holidays and Good Friday, the annual leave for this position is **27** days per annum, rising to 30 days after five years' service.

Sick Leave:

Pay during properly certified sick absence, provided there is no evidence of permanent disability for service, will apply on a pro-rata basis, in accordance with the provisions of the sick leave circulars.

PRSI:

Officers who will be paying Class A rate of PRSI will be required to sign a mandate authorising the Department of Social Protection to pay any benefits due under the Social Welfare Acts directly to the OCO. Payment during illness will be subject to the officer making the necessary claims for social insurance benefit to the Department of Social Protection within the required time limits.

Superannuation and Retirement:

The successful candidate will be offered the appropriate superannuation terms and conditions as prevailing in the OCO at the time of being offered an appointment. In general, and except for candidates who have worked in a pensionable (non-single scheme terms) public service job in the 26 weeks prior to appointment (see paragraph d below), this means being offered appointment based on membership of the Single Public Service Pension Scheme ("Single Scheme").

Key provisions attaching to membership of the Single Scheme are as follows:

Pensionable Age:

The minimum age at which pension is payable is 66 (rising to 67 and 68) in line with State Pension age changes.

- a) **Retirement Age:** will be determined in accordance with the relevant government Departmental circulars.
- b) **Pension Abatement**
 - If the appointee was previously employed in the Civil Service and is in receipt of a pension from the Civil Service normal abatement rules will apply. However, if the appointee was previously employed in the Civil Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER) or the Department of Health Circular 7/2010 VER/VRS which, as indicated above, renders a person ineligible for the competition) the entitlement to that pension will cease with effect from the date of reappointment. Special arrangements will, however be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.
 - If the appointee was previously employed in the Civil Service or in the Public Service please note that the Public Service Pensions (Single Scheme and Other Provisions) Act 2012 includes a provision which extends abatement of pension for all Civil and Public Servants who are re-employed where a Public Service pension is in payment. This provision to apply abatement across the wider public service came into effect on 1 November 2012.
 - This may have pension implications for any person appointed to this position that is currently in receipt of a Civil or Public Service pension or has a preserved Civil or Public Service pension which will come into payment during their employment in this position.

Department of Education and Skills Early Retirement Scheme for Teachers Circular 102/2007

- The Department of Education and Skills introduced an Early Retirement Scheme for Teachers. It is a condition of the Early Retirement Scheme that with the exception of the situations set out in paragraphs 10.2 and 10.3 of the relevant circular documentation, and with those exceptions only, if a teacher accepts early retirement under Strands 1, 2 or 3 of this scheme and is subsequently employed in any capacity in any area of the public sector, payment of pension to that person under the scheme will immediately cease. Pension payments will, however, be resumed on the ceasing of such employment or on the person's 60th birthday, whichever is the later, but on resumption, the pension will be based on the person's actual reckonable service as a teacher (i.e. the added years previously granted will not be taken into account in the calculation of the pension payment).

Ill-Health Retirement

- Please note that where an individual has retired from a Civil/Public Service body on the grounds of ill-health their pension from that employment may be subject to review in accordance with the rules of ill-health retirement within the pension scheme of that employment.

c) Prior Public Servants

While the default pension terms, as set out in the preceding paragraphs, consist of Single Scheme membership, this may not apply to certain appointees. Full details of the conditions governing whether or not a public servant is a Single Scheme member are given in the Public Service Pensions (Single Scheme and other Provisions) Act 2012. However, the key exception case (in the context of this competition and generally) is that a successful candidate who has worked in a pensionable (non-single scheme terms) capacity in the public service within 26 weeks of taking up appointment, would in general not become a member of the Single Scheme. In this case such a candidate would instead be offered membership of the pension scheme for non-established civil servants (“Non-Established State Employee Scheme”). This would mean that the abatement provisions at (c) above would apply, and in addition there are implications in respect of pension accrual as outlined below:

d) Pension Accrual

A 40-year limit on total service that can be counted towards pension where a person has been a member of more than one existing public service pension scheme would apply. This 40-year limit, which is provided for in the Public Service Pensions (Single Scheme and other Provisions) Act 2012 came into effect on 28 July 2012. This may have implications for any appointee who has acquired pension rights in a previous public service employment.

a) Additional Superannuation Contributions (ASC)

ASC was introduced on 1 January 2019 replacing Pension Related Deduction (PRD) which had been in existence since 1 March 2009. ASC is provided for under Part 4 of the Public Service Pay and Pensions Act 2017. Whereas PRD was a temporary emergency measure, ASC is a permanent pension contribution payable in addition to existing pension contributions and attracting tax relief at the marginal rate. In general, ASC liabilities are lower than the previous PRD liabilities.

The above represents the principal conditions of service and is not intended to be the comprehensive list of all terms and conditions of employment, which will be set out in the employment contract, to be agreed with the successful candidates.

The Selection Process

How to Apply:

All candidates should visit www.ocojobs.com where there is a full list of available positions in the OCO with the corresponding downloadable information booklet for each position. There will also be a link to the online application portal to where all applications must be submitted.

Only Application Forms fully submitted online will be accepted into the campaign. Applications will not be accepted after the closing date.

It is an absolute requirement that candidates declare any potential conflict of interest at the application stage of the recruitment process. Failure to declare such conflicts of interest which later come to light may result in the candidate being disqualified from the competition or, if the candidate

is offered and takes up a role with the OCO on the basis of misleading information, may result in immediate dismissal from the OCO.

Closing Date:

Your application must be submitted on the online application portal by **12pm on Monday, 17 July 2023**. Applications will not be accepted after this time.

- Submission of Application Form
- Shortlisting of candidates based on the information contained in their Application Form
- Initial/preliminary interview
- Presentation or other exercises
- A final competitive interview
- Any other tests or exercises that may be deemed appropriate

Shortlisting:

Normally, the number of applications received for a position exceeds that required to fill existing and future vacancies to the position. While you may meet the eligibility requirements of the competition, if the numbers applying for the position are such that it would not be practical to interview everyone, Sigmar Recruitment Consultants Ltd. may decide that a smaller number of applicants will only be called to interview. In this respect, Sigmar Recruitment Consultants Ltd. provide for the employment of a short-listing process to select a group for interview who, based on an examination of the application forms, appear to be the most suitable for the position. An expert board will examine the application forms against a pre-determined criteria based on the requirements of the position. This is not to suggest that other candidates are necessarily unsuitable or incapable of undertaking the job, rather that there are some candidates, who based on their application, appear to be better qualified and/or have more relevant experience. It is therefore in your own interests to provide a detailed and accurate account of your qualifications/experience on the application form.

Confidentiality:

Subject to the provisions of the Freedom of Information Act 2014 applications will be treated in strictest confidence.

Security Clearance:

Garda vetting will be sought in respect of the successful candidate. The successful candidate will be invited to complete a Garda vetting form via the eVetting portal. This form will be checked by An Garda Síochána. The Garda vetting disclosure will be kept on file with the OCO. It is expected that an eVetting policy will be in place in the near future, which will set out the frequency of vetting within the OCO.

Other Important Information

Sigmar Recruitment Consultants Ltd. will not be responsible for refunding any expenses incurred by candidates.

The admission of a person to a competition, or invitation to attend interview, or a successful result notification, is not to be taken as implying that Sigmar Recruitment Consultants Ltd. is satisfied that such a person fulfils the requirements or is not disqualified by law from holding the position and does not carry a guarantee that your application will receive further consideration. It is important, therefore, for you to note that the onus is on you to ensure that you meet the eligibility requirements for the competition before attending for interview. If you do not meet these essential entry requirements but nevertheless attend for interview you will be putting yourself to unnecessary expense.

Prior to recommending any candidate for appointment to this position Sigmar Recruitment Consultants Ltd. will make all such enquiries that are deemed necessary to determine the suitability of that candidate. Until all stages of the recruitment process have been fully completed a final determination cannot be made nor can it be deemed or inferred that such a determination has been made.

Should the person recommended for appointment decline, or having accepted it, relinquish it or if an additional vacancy arises the Board may, at its discretion, select and recommend another person for appointment on the results of this selection process
